Math Journal Prompts about Attitudes and Dispositions • Explain how you feel about mathematics now as compared to when you were in a different grade.

### **Math Journal Prompts about Attitudes and Dispositions**

Math Journal Prompts for Second Grade This year I am having my students write in math journals to explain how to solve problems. Students need to be writing and discussing math daily. Math journals allow students to solve problems using pictures and words. It is a great way for me to see whether a student truly understands a math concept.
