### Exams | ACS Exams

I never took them in undergrad, but we had to take the four ACS exams the first week of graduate school to assess our abilities. I remember the Organic one being really easy (I only missed one question), the Inorganic one seemed random but pretty straight forward, Analytical was very easy, and with Physical I guessed on every question (and still got like a 50%).

### why the hell are the acs exams intentionally difficult ...

Practice exams replicating taking an ACS Exam. These practice exams are designed to help students practice taking a test in preparation for their standardized exam. While a student works through the questions on the test, they are also asked to respond with their mental effort for each question.
