Urban planning in the Soviet Bloc countries during the Cold War era was dictated by ideological, political, social as well as economic motives. Unlike the urban development in the Western countries, Soviet-style planning often called for the complete redesigning of cities.. This thinking was reflected in the urban design of all communist countries extending as far as China and North Korea.

The Great Eastern is a legendary ship, added to the game with Game Update 8. It is a late-game trade ship which has the most cargo slots of any ship in the game, giving it more capacity than the Cargo Ship and Extravaganza Steamer. Furthermore, it has the highest base health of any of the trade ships, being second to only the hulking Pyrphorian Battle Cruiser. For a steam ship, its movement ...
