What is it that prevents so many black college students in the humanities and social ...

Losing the Race: Self-Sabotage in Black America - The ...

Losing the Race: Self-Sabotage in Black America is a 2000 book by American linguist and political commentator John McWhorter in which he argues that it is not external racial prejudice and discrimination but instead elements of black culture that are more responsible for the social problems faced by black Americans several decades after the Civil Rights Movement.

Losing the Race - Wikipedia

As John McWhorter explains in his new book, *Losing the Race: Self-Sabotage in Black America*, posturing like that has come to largely define what it means to be black in America. McWhorter, a linguistics professor at Berkeley, traces this posturing to three cultural diseases: victimology, separatism, and anti-intellectualism.
