David Stilson

David Stilson

Written by several members of the OpenStack community, the O'Reilly OpenStack Operations Guide is a paper version of the excellent guide available in the OpenStack docs.. Though I haven't gotten my hands on the print version yet, I found the digital version looked awfully familiar, as many a Google search about a particular OpenStack topic had already led me here.

Now in print: O'Reilly OpenStack Operations Guide

Dears, I am trying to find OpenStack operations guide. But could not find it, i am directed to admin guides. It seems the openstack doc is re-structured. But i am not sure. Could some body shed some light about this and help me with OpenStack operations guide. --Regards
