Political Philosophy in the Twentieth Century: Authors and ...

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed, what makes a government legitimate, what rights and freedoms it should protect, what form it should take, what the law is, and what duties citizens owe to a legitimate government, if ...

Political philosophy - Wikipedia

Since the beginning and the end of the twentieth century are matters of historical judgement and hence contestable, I have taken the safer route of defining it in strictly chronological terms. Second, the lives of non-Western political thinkers do not all fall neatly within the twentieth century.

Non-Western political thought (Chapter 26) - The Cambridge ...

Political Philosophy in the Twentieth Century began as a special issue of The Review of Politics intended to illustrate the variety and depth of philosoph-ical analyses of politics in the face of the purported demise of political philosophy.1 With the addition of ten new essays this book expands the

Introduction: political philosophy in the twentieth century

Political and ethical philosophy in English-speaking countries in the first half of the 20th century was inhibited to some extent by the advent in the early 1930s of logical positivism, which conceived of knowledge claims on the model of the hypotheses of natural science.

Philosophy: Political Philosophy > Totalitarianism. Totalitarianism refers to an authoritarian political system or state that regulates and controls nearly every aspect of the public and private sectors. Totalitarian regimes establish complete political, social, and cultural control over their subjects, and are usually headed by a charismatic leader.In general, Totalitarianism involves a ...

Totalitarianism - By Branch / Doctrine - The Basics of ...

Catherine Zuckert's edited collection, Political Philosophy in the Twentieth Century, is a timely attempt to help further reinforce narrative B, namely by demonstrating that there was much fruitful political philosophy before Rawls' contribution, and that there are more ways to do political philosophy than the broadly Rawlsian paradigm would suggest.

Political Philosophy in the Twentieth Century: Authors and ...

Political Philosophy in the Twentieth Century does not exactly form a seamless whole and ought in a sense to be read as a collection of independent essays. For example, while Strauss and Simon are discussed in the part entitled "émigré responses to World War II", the relevant chapters scarcely consider Strauss's and Simon's work in those terms.
