While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

### **Prototrak Mx2 Manuals**

ProtoTRAK conversational controls are easy to use and packed with the functionality machinists need for milling and turning. Designed and built in the USA, they feature the latest in toolroom and low volume production technology. ProtoTRAK CNCs do more than bridge the gap between manual machines and CNC operation. They allow users to work the way they want for improved efficiency and productivity.
