1% Better Reaching my Full Potential and How You Can Too If you have read only one article about Chris Nikic, you were likely hooked and wanted to read more. This inspiring young man, who in November 2020 became the first person with Down syndrome to complete an IRONMAN (and verified by Guinness World Records), has become famous.

Chris Nikic - 1% Better

1. Define the ideal client. Just as with any marketing strategy, you need to know who you want to target. The initial step in the process is to define the general characteristics of the group.

5 Tips for Marketing Your Real Estate Business and Reaching More Clients

Having in-depth knowledge of your Instagram target audience is an essential part of a successful Instagram marketing strategy. Unless you know what intrigues and motivates your followers, you'll have a hard time producing the right content to engage them. And unless you know when they are active, you won't have much success reaching them at the right time.

A Guide to Finding your Instagram Target Audience - Sprout Social

Harrison is an experienced full-time live event technician who decided to take on audio production on the side last year. Harrison is in the financial position to help fund this side business through his full-time job earnings while he grows it and works toward making the recording studio his main source of income.
