The Functionalist Perspective on Crime and Deviance

Most people who study sociology are changed by the experience. The reason is that sociology offers a different perspective on the world from that which most people have when they start out in the subject. Sociology helps us look beyond the immediate contexts of our lives and so helps us understand the causes of our own actions better.

From the 9th to 15th centuries, feudalism was a form of society based on ownership of land. Unlike today's farmers, vassals under feudalism were bound to cultivating their lord's land. In exchange for military protection, the lords exploited the peasants into providing food, crops, crafts, homage, and other services to the owner of the land.
