Teach (5-10 mins): Students are seated on the carpet with a partner. Students will be expected to turn and talk to this partner throughout the lesson. When we read it is important to think about the problem and solution in a story. A problem is an issue that needs to be solved and the solution is how the problem is solved.

## **Lesson: Plot Structure: Problem & Solution**

The memory motions we used for problem and solution were very simple. We did a sad face and a thumbs down for problem and a big smile and a thumbs up for solution. This week was a 4 day week (yay!), so we read a read aloud together everyday, did a quick problem and solution match, and then charted the problem and solution. Here are the books we ...
