Tips For Safe Driving

More driving safety tips from Nationwide. Don't allow children to fight or climb around in your car - they should be buckled in their seats at all times. Too much noise can easily distract you from focus on the road. Avoid driving when you're tired. Be aware that some medications cause drowsiness and make operating a vehicle very dangerous.

Driving Safety Tips - Nationwide

Safe driving guidelines advise drivers to keep a safe distance between themselves and the car ahead. Drivers need enough time to react if that car makes a sudden turn or stop. It can be too difficult to estimate the recommended distances while driving and the exact distance would have to be adjusted for speed, so most experts recommend a "three-second rule."
