Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Why Is Sex Fun The
Why then do human beings, unlike most animals, have recreational sex just for fun? Diamond says there are two theories to explain: "Many-fathers" theory says that concealed ovulation allows women to have sex with many men and create paternity confusion, which then decreases the chances of infanticide.

Why Is Sex Fun? - Wikipedia
However, the question 'why is sex fun?' is not specifically about behaviour. There is no mention of the 'fun' involved; particularly surprising being the lack of discussion or even mention of orgasm. There are good reasons cited for the amount of sex people have, the reasons for people staying together and the reasons for wanting more than one partner, but absolutely nothing about how or why it is FUN.

Why Is Sex Fun?: The Evolution of Human Sexuality (Science ...
Writing as a Jared Diamond fan, I am sorry to report that Why is Sex Fun? is a letdown. His central hypothesis is that sex is applied selfish genetics, without so naming it.He argues that the act of procreation in a given specie is predictable given knows such as is the relative energy investment in the developing egg and what is the certainty of the embryo being the genetic product of either parent.

Why Is Sex Fun? The Evolution of Human Sexuality by Jared ...
Why is the human penis so unnecessarily large? There is no more knowledgeable authority than the award-winning author of THE THIRD CHIMPANZEE to answer these intriguing questions. Here is a delightfully entertaining and enlightening look at the unique sex lives of humans.

Why Is Sex Fun Summary January 14, 2016 June 11, 2020 Niklas Goeke Culture , Health , History , Relationships , Science , Sex , Society 1-Sentence-Summary: Why Is Sex Fun takes a humorous look at the evolution of human sex life, explaining why the way we behave sexually is often odd, but necessary for our survival.

Why Is Sex Fun Summary - Four Minute Books
The usual answer is, of course, based on the known reproductive function of sex. We want sex because our continued existence as a species depends on it. Children come from sex, one learns. And the...

Why Do We Have Sex? | Psychology Today
Scientists know that sex is a pleasurable experience for most women. They say there's a lot going on in the body that makes sex feel good.

Why Does Sex Feel Good for Men and Women?
Why is it that people like to treat sex and anything related to sex as a funny topic? I'm pretty sure you all are aware that people enjoy making sexual jokes and using sexual innuendos. We like to come up with funny slang terms for sexual terms, like "penis". And whenever sex is being discussed, I usually hear at least a few people giggling and not taking the conversation seriously.

Why do people find sex so funny? | Yahoo Answers
Wonder what anal sex is like? You can either try it or learn from these 12 women, who spilled the dirty details about having butt sex for the very first time.

Do Women Like Anal Sex? - 12 Women Share What Anal Sex Is Like
Sex is fun and healthy. Sex is fun, it doesn't always have to be about procreation. With the use of contraception you can have consensual sex. Sex can be with your wife or girlfriend etc.

Is sex fun? | Debate.org
A male sex drive is about 4x higher than that of a woman's which encourages a guy to go out and have fun with as many ladies as possible to further the race. If sex was purely for mating purposes, it would be a bit boring and you would wait until a woman was in 'heat' so to speak, to impregnate her.

Why is sex fun? - Quora
Sex is not pleasurable for everyone. In fact, some people feel pain during sex. This is much more prevalent in females. Around 75% of females report experiencing pain during sex at some point ...

Why Is Sex Fun? by Diamond, Jared
There is no one better qualified than Jared Diamond to explain the evolutionary forces that operated on our ancestors to make us so different sexually. With wit and a wealth of fascinating examples, Why Is Sex Fun? shows how our sexuality, as much as our large brains or upright posture, led to human' rise in the animal kingdom.

Why Is Sex Fun?: The Evolution of Human Sexuality ...
In Why is Sex Fun? (1998), Jared Diamond presents an exploration of humans' sexual history, and explains how our unusual sexual behavior might be the reason we ascended to the top of the food chain. This is a Blinkist staff pick

Why Is Sex Fun? by Jared Diamond - Blinkist
Why Is Sex Fun? I highly recommend the book, despite these problems. In it, in short, I may describe this book as another diamond from Jared's bag of gems, where he told us a story of human sexuality from the evolutionary perspective. His central hypothesis is that sex is applied selfish genetics, without so naming it.He argues that the act of ...

Why Is Sex Fun?
Compared to other Jared Diamond books, "Why is sex fun" was less captivating and a bit dry. Although still seemingly well-researched it doesn't seem to be diamonds Forte as other anthropological topics of his. The book lacks some of the usual humor and interesting antidotes that are in his other reads. The book gives one some interesting things ...
